

## **Recommended Book and Video list**

### Books

These are some of my favorites. Your mileage may vary☺ There are many more books and videos out there but these are the one with which I am familiar. Enjoy,

Turning Wood with Richard Raffin

Beneath the Bark by Kip Christensen and Dale Nish

Woodturning by Phil Irons

Pen Turners Workbook by Barry Gross

Turning Pens and Pencils Book by Kip Christensen and Dale Nish

Turned Boxes 50 Designs by Chris Stott

Turning Boxes by Richard Raffin

Turning Projects by Richard Raffin

Woodturning Wizardry by David Springett

### Videos

Sculpting Wood Beyond the lathe by Trent Bosch

Vessels of Illusion by Trent Bosch

Hollow Turning by John Jordan

The Skew Chisel by Alan Lacer

From the Tree to the Table by Mike Mahoney

Mike Mahoney on the McNaughton

Two ways to make a bowl with Mike Mahoney and Stuart Batty

I haven't actually seen this video but I have seen the demo in person

Turning Projects with Richard Raffin

If you ever think you are getting good watch this. The other thing I like about it is he leaves mistakes in to show everyone makes them.

Basic Off Center turning by Chris Stott

Turning Boxes by Chris Stott

**SCRATCHING THE SURFACE** by Michael Hosaluk
